

Countdown

Want to find me? Here's a ton of clues. Trouble is, they're mostly lies. Only five are true: to find out which five, solve the puzzles linked below. Use the answers to learn the true clues to my identity. Then you can rule out suspects on the mug sheet, which I made king-sized. And you will need all 5 clues. If you think you've figured me out with fewer, you've done something wrong.

Once you've found me out, alert the authorities.

- A. The Confounder has red hair.
- B. The Confounder is in profile.
- C. The Confounder has straight hair.
